

CUBANOVAE LTD

## Safety Data Sheet

According to Regulation (EC) No. 1907/2006

**Product:** Cubane 1,4-dicarboxylic acid

**Revision Date:** April 13, 2026

### Section 1: Identification of the substance/mixture and of the company

**1.1 Product identifier:** Cubane 1,4-dicarboxylic acid

**1.2 Relevant identified uses:** Laboratory chemicals, R&D only.

**1.3 Details of the supplier:**

71-75 Shelton Street, Covent Garden, London, United Kingdom, WC2H 9JQ

Email: [info@cubanova.com](mailto:info@cubanova.com) | Website: <https://cubanova.com/>

### Section 2: Hazards identification

**2.1 Classification:**

Acute toxicity, Oral (Category 3), H301

Skin corrosion (Category 1B), H314

STOT SE 3 (Respiratory), H335

**2.2 Label elements**

**Signal Word:** DANGER

**Hazard Statements:** H301, H314, H335 (Toxic if swallowed, Causes severe burns, May irritate airways).

### Section 3: Composition/information on ingredients

Component	CAS-No.	Formula	Purity
Cubane 1,4-dicarboxylic acid	32846-66-5	C <sub>10</sub> H <sub>8</sub> O <sub>4</sub>	≥ 98%

### Section 4: First aid measures

**General advice:** Consult a physician immediately.

**Skin/Eyes:** Flush with plenty of water for 15+ mins. Eye damage may be permanent.

**Ingestion:** Do NOT induce vomiting. Rinse mouth. Contact Poison Center.

### Section 5: Accidental release measures

Wear personal protective equipment. Avoid dust formation. Ensure adequate ventilation. Evacuate personnel to safe areas. Sweep up and shovel into suitable containers for disposal.

### Section 6: Handling and storage

**Handling:** Wear gloves/eye protection. Avoid contact with skin and eyes. Avoid inhalation of dust.

**Storage:** Keep container tightly closed in a dry, well-ventilated place.

### Section 7: Exposure controls/personal protection

- **Eye Protection:** Tightly fitting safety goggles. Face shield (8-inch minimum).
- **Hand Protection:** Nitrile or Neoprene gloves.
- **Body Protection:** Complete suit protecting against chemicals.
- **Respiratory:** Type N100 (US) or type P3 (EN 143) particle respirator.

## Section 8: Toxicological information

**Acute Toxicity:** H301 (Toxic if swallowed).

**Skin Corrosion/Irritation:** H314 (Severe skin burns).

**Additional Information:**

**Caution:** *To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated. No animal testing has been performed on this specific substance. The effects on human physiology are currently unknown. Handle with extreme caution.*

## Section 9: Disclaimers and Other Information

**Warranty:** The above information is believed to be correct but does not purport to be all-inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions.

**Novelty Notice:** Cubanovae Chemicals provides this material for Research and Development purposes only. As this is a novel chemical entity, its long-term health and environmental effects are unknown. The user assumes all responsibility for safe handling and disposal. Cubanovae Chemicals shall not be held liable for any damage resulting from handling or from contact with the above product.
